

## Financial Statement for OSCR

### Trustees report for Strathglass Community Fund

As in the previous year, we just report that we are waiting to receive funds from the Hydro Company, Green Highland Renewables (GHR). Thus although we have opened a bank account with £10.00 we have no other income or expenditure to report.

We have now signed agreements with GHR and, all going to schedule, we will receive £2,000 in November 2017 from hydro schemes in Glen Cannich and approximately £17,000 the following year in the late summer 2018 for two larger schemes in Glen Affric.

Release the grant application forms into the community so that community members can start to apply for grants from these funds.

Our AGM was held on 8<sup>th</sup> September 2016. All trustees stood down and were then re-elected by those present. No other nominations were received.

Current trustees remain as:

Liz Balharry (Chair)

Roderick Maclennan (Secretary)

Veronica Smith (Treasurer)

Claire Roberts

Sheena Thomson

Craig Bryce

Our next AGM is scheduled for October 2017

We attended a local community summer fair and promoted and updated the community on SCF, which resulted in 24 new members bringing the total membership to 73.

Signed on behalf of the charity's trustees

LIZ BALHARRY CHAIR  
13/07/2017

 VERONICA SMITH Treasurer 13/07/2017
